Dear Parents,
We have had a busy week.

NAPLAN
All NAPLAN is over and has been sent away for marking. All students in years 3 & 5 completed NAPLAN and parents will receive these results later in the year.

BIGGEST MORNING TEA
The Bemboka Playgroup held their Biggest Morning Tea Stall at our school on Tuesday 26th May and was well supported by the community.

ATHLETICS CARNIVAL—FIELD EVENTS
The children participated in high-jump, shot put and discus on Tuesday 26th May at Colombo Park. Students have been advised if they qualified to compete in these events at the Small School Carnival next Friday at Wyndham.

SMALL SCHOOLS CARNIVAL
All students from K—6 will travel to Wyndham next Friday 5th June for the Small Schools Athletics Carnival. Infants students will be involved in their own tabloid activities whilst the other students will compete in the age events. The cost of the bus is $10 per student or $20 per family. The bus leaves the school at 8am and parents will need to drop their children to school prior to this time.

PRINCIPAL NETWORK MEETING
I will be attending the Principal’s network meeting at Narooma on Friday 29th May. I have a total new respect for teaching principals in small schools!

BOURNDA EXCURSIONS
Students from Blue & Green Learning Groups have been attending Bournda Environmental Education Centre for various programs. Thank you to parents who have been transporting these students to and from Bournda.

Snip Its For Parents...

**World No Tobacco Day - 31 May 2015**

Sunday 31 May is World No Tobacco Day. It is important that we remember the harm that can be caused to children through second-hand tobacco smoke. That is the smoke which smokers exhale after inhaling from a lit cigarette. There is no safe level of exposure to secondhand tobacco smoke.

Breathing second-hand tobacco smoke can exacerbate the effects of other illnesses such as asthma and bronchitis. It can increase the risk of cardiovascular disease, lung cancer and other lung diseases.

For children, inhaling secondhand tobacco smoke is even more dangerous. This is because children's airways are still under development, which makes them more likely to suffer negative health consequences of second-hand tobacco smoke such as bronchitis, pneumonitis and asthma.

If you are a smoker, think about making a difference to your family's life and call the Quitline or get support online at iCanQuit.com.au

During 6 July 2015, commercial outdoor dining areas are smoke-free.
