Dear Parents,

**Trivia Night**

Congratulations to our P&C for organizing a fabulous night of Trivia at the Bemboka Hall last Saturday night. All who attended enjoyed themselves and it was also a financial success with funds being raised for the students at our school.

**Knockout Football**

The soccer team travelled a long way to Albury last week and unfortunately were defeated. However their efforts and sportsmanship were commended by many, so well done everyone! Their trip home was extended due to a truck accident on the mountain but, whilst drivers may have been dismayed, the students just thought it added to the adventure.

**NAPLAN**

NAPLAN results will go home with those students who completed the tests today. If you have any questions please contact me. Overall we have been pleased with our results and the benefit of this testing is that it quite clearly identifies areas that we need to focus on as a school for improvement but it also verifies areas where we are performing well.

**Survey**

Finally we sent an email to you all last week with a link to an online survey which is run by an outside company employed by the Department of Education. The purpose of the survey is to get feedback about our school from all stakeholders. So teachers, students and parents are all asked to complete the survey. The results will be shared with us a little later in the year but no one is personally identified at any stage of the process.

**Stage 3 Excursion**

The Green Learning group are preparing for their excursion to Canberra with the other small schools in our network. Thanks to parents who have completed all payments paperwork etc. as we need to have this finalised now.

Hope you all have a great fortnight and remember to “Try to make someone’s day” over the next two weeks,

Your fellow educator

Jan Rogers
